## » ABOUT THE COMPANY

EVE Consulting & Service is a Mozambican company specializing in multidisciplinary consulting, offering integrated solutions in the areas of business, accounting, human resources, geosciences and mineral resource exploration.

With a strategic approach and a focus on technical excellence, we deliver real value to our clients through personalized services that are practical and tailored to local realities.

Whatever the challenge, we have the right tools to turn ideas into concrete results.

## MISSION

Providing specialized consulting solutions that add real value to projects and companies, promoting sustainable, strategic and growth-oriented decisions.

## VISION

To be a national and cross-border benchmark in integrated strategic solutions, driving the sustainable growth of companies and projects in multiple sectors, with a focus on excellence, innovation and socio-environmental responsibility.

## VALUES

- Commitment to quality and ethics;
- Innovation with responsibility;
- Customer focus;
- Sustainability;
- Professionalism.

## » DIFFERENTIALS

- National and international experience;
- Highly qualified multidisciplinary team;
- Integration between strategic areas (business, accounting, HR and geosciences);
- Tailor-made solutions with a direct impact on results;
- In-depth knowledge of the Mozambican reality and legal requirements.
